

# **AERO-MARINE** **TECHNOLOGIES, INC.**

*When Service and Experience Matter*

Prevent infection or illness when working with "as removed" vacuum generators.

Aero-Marine Technologies sends a **Vacuum Generator Removal Kit** with every returned unit. Each Kit contains **safety gloves**, a **biohazard bag** and **instructions** for safe handling of contaminated Vacuum Generators.

**\*\*\* These kits are also available upon request prior to removal for teardowns or scheduled maintenance. \*\*\***

**Contact us to order your kit today!**
